Subject: Microsoft Settlement

Under the Tunney Act, i wish to comment on the recent proposed remedy for the anti-trust case against Microsoft as found here:
<http://www.usdoj.gov/atr/cases/f9400/9495.htm>

I feel that this proposed judgment fails to fully address the issues disclosed in the DOJ's finding of fact:
<http://www.usdoj.gov/atr/cases/f3800/msjudgex.htm>

This judgment will not impede Microsoft from leveraging it's established monopoly in the operating system marketplace against it's competitors, and I wish to voice my dissatisfaction with this proposed settlement.

Thank You,

Michael R. McCoy
